(iii) information in respect of over-all representation of Scheduled Castes, Scheduled Tribes, etc., as on 31st December of every year is not being sent by many Unit Officers.

In spite of several instructions issued from time to time in the matter of strict adherence to the orders of Government, it is observed that the progress achieved in affording representation to the candidates belonging to Scheduled Castes and Scheduled Tribes in the State Civil Services is not satisfactory. In order to assess and achieve tangible results, Government desire to impress upon all the Appointing Authorities, the importance of following the instructions issued from time to time to set right the imbalance in the representation of Scheduled Castes and Scheduled Tribes candidates in the Services.

The Unit Officers and the Appointing Authorities are requested to comply, in good time, with the inspection reports sent by the Directorate of Social Welfare (Employment Cell).

In order to assess the progress made in the representation of Scheduled Castes and Scheduled Tribes, Government direct that statistical information in the *pro forma* prescribed in Government letter No. GAD 95 SRR 68, dated 6th December 1968 for the year ending 31st December of every year should be furnished to the Director of Social Welfare (Employment Cell) direct by all the Unit Officers and Appointing Authorities by the end of January of the subsequent year. The first such report would be for the year ending 31st December 1967 to be furnished immediately.
